

"ISLAND DREAMS" to be release on Turkey's largest Internet service provider TTNET.

A 2015 one year license from Kenau Pictures Production

Manila, Philippines (January 19, 2015) - TTNET, largest Internet service provider in Turkey, has signed a one year license with Kenau Pictures Production for the release of the film ISLAND DREAMS for 2015.

ISLAND DREAMS is the 2013 Metro Manila Film Festival winner for 'Best Gender Sensitive Film Award' New Wave category. The film was also released on July 23, 2014 in Metro Manila on selected SM Cinema.

With the local market exposures and positive reviews in the Philippines, ISLAND DREAMS will now enjoy by Turkish audience in HD. This beautiful romantic comedy is truly universal with a simple story and heartfelt journey of two people. The story is about an unaccredited tour guide and a heartbroken tourist form a romantic bond as they explore the wilds of Philippine Islands.

First time producer Kenneth Au acknowledged the difficulty of making indie film for both local and international audience. It was a big challenge but he believe there are enough elements from ISLAND DREAMS to please both crowds and the only obstacle is finding distribution. He also received overwhelming the film is very beautiful and looks stunning by everyone who have seen it. He jokes Department of Tourism need to make plans for new influx of Turkish visitors! The film was shot in Batangas, southwestern part of Luzon island in the Philippines.

TTNET is the largest Internet service provider in Turkey and has around 7 million subscribers with worldwide access. ISLAND DREAMS will be available through TTNET Pay TV and Optional Content Services in Turkey, North Cypus Turkish Republic, Turkic Republics, Germany, Holland, Belgium, France, the United States (and not limited to, can access TTNET).
